

本3

On 07 February 2005, applicants filed the instant petition for revival accompanied by, *inter alia*, a transmittal letter for entry into the US national stage under 35 U.S.C. 371, the requisite basic national fee as required by 35 U.S.C. 371(c)(1), a copy of the international application as required by 35 U.S.C. 371(c)(2), an executed declaration as required by 35 U.S.C. 371(c)(4), and the petition fee of \$1,500.

DISCUSSION

A petition to revive an abandoned application under 37 CFR 1.137(b) must be filed without intentional delay from the time the application became abandoned and/or applicant first became aware of the abandoned status of the application. A petition under 37 CFR 1.137(b) must be accompanied by (1) a proper reply, (2) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition was unintentional, (3) the petition fee required by law, and (4) a terminal disclaimer and fee (if the international application was filed prior to June 8, 1995). A payment of the basic national fee constitutes a proper reply for entry into the national stage.

Applicant's statement in the petition that "the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" satisfies the requirements of 37 CFR 1.137(b)(3). The submission of the national fee and the copy of the international application satisfies 37 CFR 1.137(b)(1). The payment of the petition fee satisfies the requirement under 37 CFR 1.137(b)(2). A terminal disclaimer is not required because the application was filed on or after 08 June 1995. Therefore, the requirements for a grantable petition under 37 CFR 1.137(b) have been satisfied.

CONCLUSION

The petition to revive the application abandoned under 37 CFR 1.137(b) is **GRANTED** as to the National Stage in the United States of America.

Applicant has satisfied the filing requirements under 35 U.S.C. 371.

The application has an international filing date of 21 July 2003 under 35 U.S.C. 363 and a date of 07 February 2005 under 35 U.S.C. 371(c)(1), (c)(2) and (c)(4). The application is being returned to the National Stage Processing Division of the Office of PCT Operations for continued processing.
